Rep. VanderMeer Announces District Listening Sessions on Budget

Madison – Today, State Representative Nancy VanderMeer (R-Tomah) announced another set of in-district listening sessions focusing on the state 2015-2017 budget.

Representative Nancy VanderMeer (R-Tomah) is pleased to hold another set of budget listening sessions. These listening sessions are designed to listen to constituents and gain feedback on the proposed budget.

“The budget is now in the hands of the legislature and it’s our turn to find ways to improve the Governor’s proposal for the people of the 70th district, and for Wisconsin as a whole. The ultimate goal is to create a budget that works for everyone. Our state must have a spending plan that invests in our public schools, benefits rural communities, builds our economy and protects taxpayers.”

“I want to hear what outcomes you would like to see with the proposed budget. With your help, we can work toward creating the best budget for our state and give Wisconsin citizens the future they deserve. Furthermore, it gives me an opportunity to see the budget through the eyes of my constituents of the 70th district.”
